TrinDocs' unique and tailored approach to Accounts Payable Automation was featured by ERP Software Blog and TrinSoft, LLC in "Out of the Way with Out-of-the-Box Automation - Upgrade Dynamics with TrinDocs AP Solutions".

Here's a link to the full article:

Out of the Way with Out-of-the-Box Automation - Upgrade Dynamics with TrinDocs AP Solutions - ERP Software Blog

Here is our top-10 list of reasons to upgrade Dynamics to TrinDocs AP Automation:

10: **Microsoft Gold Partner**...No AP Automation Solution knows Dynamics!
9: **Service and Support**...TrinDocs Service/Support is free, unlimited, & best in class!
8: **Configurable Installations**...TrinDocs has both on-prem and cloud-hosted solutions!
7: **Documents Stored Outside Your ERP**...so you don't pay for storage!
6: **Unlimited Documents + Workflows**...with or without ERP integration!
5: **Free & Unlimited Transactions**...No volume-based-fees, no matter what!
4: **Minimize Costly ERP Licenses**...manage data with reduced license counts!
3: **Line Level PO-Matching**...TrinDocs matches line levels, with automatic invoicing!
2: **Unique Vendor Setup**...You choose how to handle freight, taxes, variances & more!
1: **Flexibility**...TrinDocs tailors solutions per your unique rules, policies, & procedures!
